The Australian Skills Quality Authority (ASQA) is the national regulator for Australia's vocational education and training sector. ASQA regulates courses and training providers to ensure nationally approved quality standards are met.

Australian Quality Training Framework (AQTF) The national set of standards which assures nationally consistent, high-quality training and assessment services for the clients of Australia's vocational education and training (VET) system. Initially established in 2001 for implementation in 2002, it is approved by the Ministerial Council for Tertiary Education and Employment (MCTEE), which includes all Ministers for VET in Australia.

The components of AQTF are: AQTF Essential Conditions and Standards for Initial and Continuing Registration; The Quality Indicators; AQTF Standards for State and Territory Registering Bodies; AQTF Excellence Criteria; AQTF Standards for Accredited Courses; AQTF Standards for State and Territory Course Accrediting Bodies.
