

The Jreissati Scholarship Policy and Procedures

Kenvale College offers scholarships in order to assist students in paying their tuition associated with their studies. The Jreissati Scholarships are made possible by donation of Elias Jreissati Chairman of Bensons Property Group and Levantine Hill Estate-Yarra Valley. Mr Elias Jreissati has kindly donated financially to aid students to further their education.

This scholarship is a tremendous opportunity to start a career in a well recognised hospitality/event venue and receive education from Australia's first private hospitality college. We are very excited about giving this chance and look forward to welcoming the successful applicant as part of the College.

Students will be invited to submit an application proposal in order to apply to win one of the following scholarships:

1. Jreissati International Scholarship valued up to \$9,000 over the course of their study
2. Jreissati High Flyer Scholarship valued up to \$4000 over the course of their study
3. Jreissati Regional Scholarship, valued up to \$12000 over the course of their study

The applicant will submit and include: Resume and a 500-word testimony

- (a) of their passion for the industry,
- (b) about why they want to study Hospitality and
- (c) about why they deserve the Scholarship.

We have enclosed some important information for you. Please read through this. For other general information regarding fees and other important information please refer to Scholarship information and on our website.

We would also like to meet with you as soon as possible to discuss where to go from

here. Yours sincerely,

Patricia Grant
CEO

Scholarship information

The Jreissati scholarship amount will be divided into 3 main categories as follows:

4. **Jreissati International Student Scholarship**, \$9,000 will be allocated to International Students. 3 International Students will receive \$3,000 over the course of their study
5. **The Jreissati High Flyer Scholarship**, \$4,000 will be allocated to 4 High Flyer finalists. 4 students per year will receive \$1,000 each over the course of their study
